PROFILE

I am a Junior Developer with a strong interest in programming and building real projects. I enjoy learning new technologies, solving problems, and improving my skills through practice. I am open to challenges, work well in a team, and always try to learn and grow as a developer.

SKILLS

Languages:
JavaScript, TypeScript, Python

Databases:
PostgreSQL, MySQL, MongoDB

Frontend:
React, Next.js, Tailwind CSS

Backend:
Node.js, Express, NestJ

Tools:
Git, Docker, PM2, Linux (Ubuntu)

PROJECTS

Personal Portfolio Website

- Built a responsive personal portfolio website using Next.js and Tailwind CSS
- Showcases skills, technologies, and personal information
- Implemented clean UI and modern design principles
- Deployed and maintained the project online

EDUCATION & CERTIFICATIONS

Foundation & Full-Stack Bootcamp — Najot Ta'lim

Oct 2024 – Oct 2025
Khorezm, Uzbekistan

I first studied programming fundamentals and algorithms at the Foundation level at the "Najot Ta'lim" IT Learning Center. After successfully completing the Foundation course, I continued my studies in the Full-Stack (Node.js) Bootcamp, where I gained practical experience in building web applications.

Languages
English: Intermediate (B1+, good understanding, average speaking)
